

eMagazine titles from RBdigital are now available through OverDrive and Libby

FAQs

- **What is Libby?**
Libby is a free app by OverDrive where you can borrow and enjoy digital content from the Miami-Dade Public Library System. Visit our [Mobile Apps page](#) to download Libby on iOS or Android devices.
- **Why is this change happening?**
OverDrive has acquired the RBdigital platform, which includes the company's digital magazines. Titles provided by RBdigital have been transferred to the OverDrive collection and are accessible through the OverDrive Libby app and on your web browser.
- **What if I have magazines currently checked out on RBdigital?**
Current checkouts will be available through the remainder of their lending period in the RBdigital app. Current checkouts will not be moved to OverDrive.
- **How many magazines can I borrow?**
In Libby, you can access over 3,000 digital magazines with a rolling three years of back issues (where available). There are no magazine checkout limits, so you can borrow as many as you like.
- **How long can I keep magazines borrowed through Libby?**
Borrowed magazines will expire at the end of their lending periods, but you'll be able to renew them if you need more time to read.
- **Can I keep borrowing magazines through RBdigital?**
Magazines will no longer be available to borrow in RBdigital as of March 31, 2021. We recommend that you start borrowing magazines in Libby now, so you're ready for the switch.
- **Why might I lose access to magazines in RBdigital before March 31?**
Some libraries may have magazines removed from RBdigital before March 31 based on the timing of their subscription cycle. We recommend that you start borrowing magazines in Libby now, so you're ready for the switch.

- **What happens to my checkout history and wish list from RBdigital?**

Checkout history and wish lists will not be moved to Libby. However, you'll be able to mark titles you've already read using [Tags in Libby](#). You can export your Transaction History from the RBdigital website by accessing My Account > Profiles.
